

BULL PINS

Rudedog USA - 10" Broad Head Bull Pin - #7610

Forged, heat treated bull pin increases efficiency by providing a larger striking surface. Head design also reduces chance of pin slipping from the hand when aligning holes. Angled head and smooth blending of radii increase strength and reduce the danger of chipping. Below the head, the squared-off shoulders have been forged to provide a surface for applying wrench to loosen wedged bull pins. Long, even taper reduces binding and hang-up. Heat-treated for strength.

MADE IN USA!!

Weight: 1.75 lb Width: 1.25" Length: 10" Depth: 1.25"

Rudedog USA - 13" Broad Head Bull Pin - #7613

Forged, heat treated bull pin increases efficiency by providing a larger striking surface. Head design also reduces chance of pin slipping from the hand when aligning holes. Angled head and smooth blending of radii increase strength and reduce the danger of chipping. Below the head, the squared-off shoulders have been forged to provide a surface for applying wrench to loosen wedged bull pins. Long, even taper reduces binding and hang-up. Heat-treated for strength.

Weight: 3 lb Width: 1.5" Length: 13" Depth: 1.5"

Barrel-Type Drift Pins

- Machined from quality alloy steel.
- Tapers are uniform and blend into body diameter.
- Tough, drop-forged steel will properly end-pein in use.
- Heat-treated for strength.
- Black finish for rust resistance.

3261

Cat. No.	Maximum Diameter	Point Diameter	Overall Length	Weight (lbs.)
3260	11/16" (18 mm)	5/16" (8 mm)	7-1/2" (191 mm)	.60
3261	13/16" (21 mm)	7/16" (11 mm)	8" (203 mm)	.85
3262	15/16" (24 mm)	1/2" (13 mm)	8" (203 mm)	1.10
3263	1-1/16" (27 mm)	9/16" (14 mm)	8" (203 mm)	1.50

SLEEVER BAR

Rudedog USA- 30" x 7/8" Round Zinc Sleever Bar #7878Z

Our bar has a great 15 degree spoon with a nice slender taper for holing the iron and comes standard with a lock collar grommet. The Zinc coating give extra protection from the elements and adds a little texture to help keep it from "slipping". The Flat tip on tapered end allows you to 'bar' the iron over for moving iron around on slab floors. Lock collar holds your bar in the holder.
